Mr. Burwell Moles,
North High School,
Denver, Colorado.

Dear Burwell:

I want you to know how much I enjoyed my visit with you. It certainly was good to talk over old times and to spin the yarns we did while waiting for the train.

I am sorry that Mrs. Moles was ill and I did not get a chance to greet her. However, I hope that her recovery is complete by now. Please remember me most kindly to her and to your young son who wisecracked about your age.

I am sending you our last two issues of the Jayhawk Rebounds and trust that you may find something of interest in them.

With best wishes for your continued success and happiness,
I am

Very sincerely yours,
