Mr. David L. MacFarlane, Chairman,  
State Department of Social Welfare,  
Topeka, Kansas.

Dear Scotty:

Was I surprised last night when I read the front page of the Star announcing your presidency of the Kansas State Teachers College at Emporia. Congratulations a thousand times, mister, on this very wonderful honor coming to you. It reflects great credit on you, on Rotary International, and upon the good state in which you have labored so many years.

I will not be verbose or unduly flattering in this letter, only to say that I am intensely happy for you and your family. With what great pride a man returns to the college as president wherein he was a professor and a dean. You richly deserve this honor, and it will be a happy pleasure to call upon you when I make my rounds as District Governor.

I have never had the pleasure of meeting Jean Scott MacFarlane while she is a student here on the campus, but I am looking forward to it.

With every good wish for your long and happy administration at Kansas State College, I am

Rotarily yours,

FCA:AH

Governor-elect, District #123.
