Dear Mr. Mehus:

I have been out of town, which accounts for my failure to reply sooner to your inquiry concerning George M. Dick.

George Dick has been a fine football player and a good basketball player on the University of Kansas varsity for both sports. George is a fine, clean, upstanding young man, but I would say that he lacks experience for the type of work such as you describe. He is thoroughly reliable and dependable, but I feel that he has not had enough experience for this type of job.

His health is excellent. His initiative is fair, I would say. He gets things done, but not in a vigorous and forceful way.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
