

October 13, 1943.

Mr. Robert Muzzy,
Woodlawn School,
Lawrence, Kansas.

Dear Robert:

I was one who attended the luncheon program at the Colonial Tea Room for the Second District Conference of the Kansas Congress of Parents and Teachers on October 12. The program cover that you did was placed at my plate.

I want to thank you for doing this for me. I am sure that you derived a great deal of pleasure in doing it because the teachers say that we learn by doing, and you did a fine job. You children made the luncheon more pleasant and I am hoping some day that I may have the pleasure of meeting you in person.

I do want you to know that we appreciate the cooperation of the children of the schools.

Sincerely yours,
