Lawrence, Kansas.

Dear Mrs. Mason:

Mrs. Allen tells me that you will be interested in the Jayhawk Rebounds letter. This is the last one we have of this issue. Other Rebounders that we have had have mentioned Horace's name but we have no extra copies. However, we will put you on the mailing list and we sincerely trust that there will be some items of interest in the future Rebounds for you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
