

January 27, 1944.

Mr. Harry Morrow,  
Lawrence Journal World,  
Lawrence, Kansas.

Dear Harry:

The very lengthy epistle addressed to Mr. Hugh Fullerton may fatigue you, but there is a lot of meat in there, brother. Whether some of the boys can find it or not remains to be seen, but there are some thought-provoking arguments in some of these pages.

Sincerely,

Director of Physical Education,  
Varsity Basketball Coach.
