

November 22, 1943.

Mr. Edwards,
Eastman Kodak Company,
Rochester, New York.

Dear Mr. Edwards:

I still get a kick out of the merriment that you got when you looked at Frosty Cox and Keppelman, those two husky Jayhawkers, guarding three men. That shifting foot work tickled you beyond silent merriment, because you were very audible.

Cordially,

Director of Physical Education,
Varsity Basketball Coach.
