

have been go to school
next fall -
you remember I
wrote you about this boy
just lately - he was chosen
on the all star team at
left end in foot ball - of all
the K.C. Kansas High teams -
and not only made the all
star basket ball team at Forward
position but was High Point
man for all the K.C. Kansas
teams - he is left handed -
6 foot tall - weighs 180 pounds -
so must be quite a boy - I
have known him for five
years or so - he comes from
a fine family - and I can
get him to come to K.U. if
he will be able to play - or
does his Professional contract end
his College scholastic
Sincerely
Geo. A. Mendenhall
