Dr. F. C. Allen,
Director of Physical Education,

Dear Dr. Allen:

Your suggestion for an exchange of B team games to be run in conjunction with our varsity contests falls on very receptive ears. I will do my best to further this proposal.

It is necessary, however, that consent of the athletic committee be obtained and I am making the request immediately. I shall let you know early next week just where they stand.

Yours truly,

Geo. R. Edwards.
