Ames, Iowa.

Dear Louie:

This will confirm my night letter to you  
of this date, as follows:

Please wire collect your plans regarding goal  
Saturday night. Browne says Nebraska prefers  
old style goal. If you stick to approved  
Bask-O-Lite goal we will.

Harold Browne has written me, sending me a  
carbon copy of the letter he has written you, and states  
that he is now notifying me that Nebraska prefers to use the  
old style goal. I want to know what you do Saturday night  
because I wrote him telling him that the Bask-O-Lite goal  
was official and as far as we are concerned we are going to  
use the Bask-O-Lite goal.

Of course, if you change that would put me  
in a bad position, but if you stick I am going to stick. The  
basket is official the same as any ball of any approved make.  
Unless you change we are going to use the Bask-O-Lite goal  
in all of our home games here at Lawrence.

I see no reason to cater to the whims of  
everybody just because they get a notion somewhat different  
from our own, especially after it was all agreed to.

I will be happy to hear from you by wire at  
my expense.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
