Dear Dr. Mix:

Dr. Allen is on his way to Boone, Iowa to attend the Iowa Coaching School. He asked that the following information be sent to you. In order to get the Jayhawk Nursery to be included in the Community Chest it will be necessary to apply at the Chamber of Commerce for an application.

Dr. Allen will be back here next Monday and will work on the matter further.

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
