

as I've said before, the good influence
you exerted over Ray in those
early years stayed with him
thruout his life, as it has with
other youth whom you have
had under you. I have two
sons, Jack, just eighteen, who
will enter M.U. this fall, and I
truly hope the men whom he
contacts will be the same fine
characters my brothers came under.
My other son, Wayne, is just
entering H.S.

Best regards to Mrs. Allen and
yourself.

Sincerely -

Mary P. Mager.
