Dr. F. C. Allen

Director of Athletics ^{Haba. spinal cord not functioning}
University of Kansas

Dear Dr. Allen: —

What a wonderful surprise to hear that you and the team will be back here again! And on our anniversary too —

Have delayed answering until we heard of Howard's definite plans. If he had gone on the hockey trip he would scarcely have been home at all.

But this morning's letter says he plans to come home. Things are so uncertain now that this maybe his last
