

FROM THE DESK OF
Lt. Colonel Raymond L. Markley

February 2, 1943.

Doctor F. C. Allen,
Department of Athletics,
University of Kansas,
Lawrence, Kansas.

My dear "Phog",

Hang out the green light Saturday
night. There will be five (5) in the party.

I presume the game starts about 2000 -
8:00 P.M. to you.

Captain Spencer will not be in the party
but plans to come over later to see the obstacle course.
He will be accompanied by Lieutenant Long, recently
P.E. Instructor at Adrian College.

You must have had a battle last Saturday.

The only thing that will stop us is the
gas ration. Should we be unable to come I'll let you
know.

 Good luck !

Sincerely,

R. L. Markley
