

been here for about two months  
and we have been with them  
very much. Don is now attached  
to Gunnery school and seems  
to like it quite a lot. He is  
planning to go to sea before long  
and we'll miss them greatly when  
he has to leave.

Both Mrs Masoner and I  
send our best wishes to you  
and your family for a merry  
Christmas and Happy New Year.

Thanking you for all of your  
help both past and present I  
remain,

Sincerely yours,  
Paul Masoner
