157 Woodstock Avenue,
Kenilworth, Illinois.

Dear Friends:

I have left to Mrs. Allen the matter of answering your very kind invitation which you so graciously extended her.

I did not get home from our eastern trip until late Saturday night, January 2. Mrs. Allen came in Sunday night. So it was too late to communicate with you and I knew that Mrs. Allen would express her appreciation in a better way than I could.

I am hoping this summer that Mr. Mons and I get a chance to play a long extended round of golf and that the women folks can shop or do whatever they please.

With best wishes for a very happy and prosperous New Year, or as happy as it can be under the conditions, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
