Dear Mac :

Thank you for your good letter  
of the 21st instant giving us permission to  
use the new goals in our game.

You know, Mac, I have lost Well-  
hausen, along with Rogers, Noble and Holliday  
of my first five. I am like you - I only have  
Pralle, you only have Martin from your regular  
outfit. It looks like we are the low boys re-  
garding boys returning.

Good luck to you, Mac, and  
thanks.

Sincerely yours,

FCA:AH
