Mr. Edward J. Medart, President,  
Medart Manufacturing Company,  
St. Louis, Missouri.

Dear Mr. Medart:

I am enclosing a letter from one of our former University of Kansas boys who is now in the service at Miami Beach, Florida.

He is asking where they can buy 26 Goal-Hi standards, and I am hoping you have some on hand that you can let him have. I have written him, telling him of this possibility.

With best wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
