Dear Murph:

I have written to Granville E. "Pip" Scanlan,
at 516 Equity Building, Oklahoma City, Okla. If Pip
Scanlan is not at this address can you tell me where I
can find him, as I am anxious to hear from him.

Doubtless my letter will be forwarded to Pip,
but I just wanted you to check on him and let me know
where I could find him if he is in your vicinity. Thanks
a million.

I do want you to know how very generous you
were to our group when we were in Oklahoma City. You
are a regular fellow.

With all good wishes to you and yours,

Very sincerely yours,
