1215 Dread

Dear Darrell:

I am sorry that I was so stupid when you came in the office this afternoon to discuss with me your attendance at the track class. I met you in the Athletic Office and I was under the impression at the time you spoke that you were a Mr. Gust Nelson. Mrs. Hulteen had spoken to me regarding Mr. Nelson's dissatisfaction with the grade he was getting in physical education.

I just returned from our northern tour in basketball and was a little hazy regarding all the details after your case had come to my attention.

After you had been in, Mr. Nelson came in, and I said to Mrs. Hulteen, "I just talked to Mr. Nelson." I was in error.

Now, here's the situation, Darrell. Mr. Sherk has revoked your right to substitute track for physical conditioning and it is absolutely necessary that you report for physical conditioning. If you want to help Coach Hargiss on your own it is all right. I have also checked with the people at the stadium and find that you have been present to help Coach Hargiss a couple of times.

You doubtless are acquainted with the University ruling that when a man has six unexcused absences in physical conditioning he is withdrawn from the University.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
