Mr. E. A. Davis
Director of Athletics
State Teachers College
Maryville, Missouri

My dear Davie:

I am sorry that I have not answered your letter concerning baseball sooner. The fact of the matter is, Davie, that our baseball has run down in the heels so terribly that we have hardly any of our regulars returning, and no good replacements.

I think we had better wait for another year and then I would be glad to schedule a game with you if possible.

I am sorry we can not make it this year.

Sincerely yours,

Dear Mr. Anderson:

I have your statement in the amount of \$1.53 for three pair of sun glasses, together with your note saying that members of our baseball team forgot to leave money for these glasses.

I called the team together regarding this matter and said that if anyone took the glasses they were to pay for them, or I would have to pay the bill myself. The Kansas team is not in the habit of doing such things, and the boys told me none were taken.

If there is any way you can give me information regarding these glasses, I should like to hear from you further.

Sincerely yours,

Director of Physical Education and Recreation

Mr. Forrest Allen
University of Kansas
Lawrence, Kansas

Dear Fog:

I was wondering if you have any spare ball players you are trying to place for the summer. We are interested in a couple of outfielders and one infielder.

We can offer the boys 50¢ per hour and guarantee 40 hours per week with good possibilities of plenty of overtime.

Would like to hear from you as soon as possible as we are starting our league this week.

Very truly yours,

Frank Murphy

Mr. Frank Murphy
Manager of Beechcraft Flyers Ball Club
Beech Aircraft Corporation

Dear Frank:

We had but four ball players on our Varsity team this year: Eddie Hall, catcher, in-fielder or out-fielder, general utility man. His home is in Sublet, Kansas. He is undecided whether he will attend summer school here.

Forrest Knute Kressie, pitcher, in-fielder, out-fielder, general utility man; hit .426. He is by far the best ball player we have but I understand he is signed up with the Iola Ban Johnson team for the summer.

John Burge, pitcher, out-fielder; he hit .295. He has a job with the Recreation Department in Kansas City for the summer.

Bob Allen, first base, general utility man; hit .326. He is to study medicine next year at the University of Pennsylvania. And, since he has been in school four years, I think he is going to take things pretty easy and just coast a bit.

I'm sorry that we cannot help you but if I learn the identity of a real good ball player, I shall be happy to refer him to you for your attention.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and

Mr. Thomas R. Bowen
Manager of the Tiger Hotel
Columbia, Missouri

Dear Mr. Bowen:

Our Kansas baseball team desires rooms at your Tiger Hotel, Thursday and Friday evening of this week. We're playing Missouri, Friday and Saturday, but we will come down Thursday evening and we may drive back after the game on Saturday afternoon.

Our baseball finances do not permit the same expenditures as do our football and basketball budget. Therefore, we desire more modest accommodations. If you have such things as team rooms where boys can double up, or, if you were crowded we could use sample rooms with steel cots.

In other words, we're trying to save some money on our traveling expenses because our budget does not permit even normal expenditures for this sport. Therefore, I will appreciate any cooperation you can give us.

With kindest regards to you and your good family, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.

Baseball Coach,
Kansas University,
Lawrence, Kansas.

Dear Sir:

I have been instructed to contact you concerning the possibility of scheduling a game with your club on one of the open dates on our schedule. Sunday, May 18 and Sunday, June 8 are both open. There are several possible dates open between May 1 and May 11 when our league season opens, and we might be able to work in a game on May 27 or May 28.

I thought that it might be possible to play you a game while you were on a trip to play your regular league games, possibly with Oklahoma University, thus cutting traveling expenses by getting an extra game.

The Independence Indians have always put a strong team on the field, having won the Southeast Kansas Division of the Ban Johnson League four successive years, and it appears that the team for the coming year will be as strong or stronger than in the past.

Please let me know whether you are interested and how much guarantee you would require for the game.

Sincerely yours,

Lawrence Ferrell

No Big Six ruling?

Dear Phog;

I understand that you are handling baseball this year. Is there any possibility of arranging some exhibition or practice games at Lawrence between your team and the St. Joseph Saints: Manager Walter Holke is anxious to play as many games as possible before the league season opens so as to season his players and to try them out in competition. He would not expect any expenses unless you charged admission and his primary idea is to play games, not to make any money. If your pitchers aren't ready he would be glad to loan you some. If there is any possibility of arranging any games at Lawrence prior to April 29 please let me know.

Yours sincerely
