Dr. F. C. Allen

University of Kansas

Dear Dr. Allen:

By Thursday, April 29, 1943, will you please send us a list of the dates of events of general University interest that your department is scheduling for the school year 1943-44. The "K Book Calendar Committee" hopes to coordinate this material so that conflicts may be avoided and a too greatly congested program prevented.

It may be impossible to arrange definite dates for some of the school events by that date, but we suggest that you send in a schedule of tentative dates, which may be indicated as "tentative" in the calendar of the "K Book".

This is a busy time for you, I know, and I am appreciative of your effort and cooperation in getting to us as much material as you can.

Very sincerely yours,

*Elizabeth Regnier*  
Adviser of Women
