

May 4, 1943.

Hon. W. T. Markham,
State Board of Education,
Topeka, Kansas.

Dear Mr. Markham:

I was delighted to see you at the Rotary District Conference, and am writing you regarding Glycolixir. I pay about \$9.45 per gallon, but we order five gallons at a time. I would be glad to accommodate you if you should want a gallon when you are in this vicinity.

As I told you, I have several gallons in storage in my basement just to keep it on hand because it is rather difficult to get at times.

For the Betulin tablets, the last we bought were about \$10.50 for 500.

Let me know what you want and it will be a pleasure for me to accommodate you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
