Kansas City, Mo.

Dear Mac,

Thank you for your kind words in your letter as of Nov. 6.
I also appreciate the kind words regarding our youngsters.
Mrs. Allen and I are both happy for this of course. She and
I had a long talk concerning you last evening at the dinner
table and it was very favorable.

In your letter you mentioned the editorial comment in this
mornings Times. I failed to find any editorial comment and I
am wondering if you meant the comment on the sports page.
Will you kindly tell me if there is anything other than the
article that tells about the Y.M.C.A. demonstration.

It certainly was a pleasure to visit with you when you stopped
on your way to Topeka. I trust that the leg is much improved
and that you will be able to get your quota of quail.

With all good wishes I am

Sincerely,
