Chicago, Illinois.

Dear Mr. Mons:

I was glad to hear from you in your letter dated October 27th. I took your letter home and read it to Mrs. Allen. We are always glad to know that the Mons household is getting back to normalcy after the strenuous weeks that you had with the Methodist Conference.

Mrs. Allen and I are talking about coming to Chicago sometime during the Thanksgiving vacation and then going on to Philadelphia maybe for the Army-Navy game with Bob and Eleanor. But I am afraid that my basketball schedule and the fact that our Thanksgiving holiday is short when I consider my coaching duties, then I am not so sure about myself. But I do want Mrs. Allen to go if she can.

I am afraid about the only visiting that I will get done will be when we come with the basketball team to play DePaul on January 31.

I trust that you found Jack, Harriet and Susan in good health at Columbus. I am also happy that you had a chance to visit with Mary and Pete.

Wishing you the best of health and happiness, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
