Mr. Harry W. Mons
Vice-president Hill-Clarke Machinery Co.
Chicago, Illinois

Dear Mr. Mons,

I guess the check must have gone awry. I'm glad that you've stopped payment on it. Doubtless it was sent to some other address with someone else's name. I assure you that you and Mr. Wigglesworth are very welcome for any small courtesy that I might extend in your behalf. Just remember, if at any time you or Mr. Wigglesworth desire any athletic equipment I'll be happy to obtain the same for you or him.

I'm happy to know that you and Mrs. Mons got through the conference satisfactorily and I am very sure that you did it in the Mons' highly satisfactory manner. Thank you for the check.

Sincerely,

FCA/pg
