Mr. H. W. Mons  
Vice-president Hill-Clarke Machinery Co.  
Chicago, Illinois

Dear Mr. Mons,

I am enclosing the invoice of A. G. Spaulding and Bros. for the four Bobby Jones woods.

I am happy that the golf clubs were received and that everything is satisfactory.

I too am glad that the arch normalizer is doing its share of keeping the Mons' athlete in tip-top shape.

Tell Mr. Wigglesworth that I am hoping that he enjoys his first experience with the new clubs as much as you did with yours.

I trust that you and the rest of the Mons' are well and happy.

Sincerely,

FCA/pg
