

September 17, 1941.

Mr. H. W. Mons,
Hill-Clarke Machinery Co.,
649 Washington Blvd.,
Chicago, Illinois.

Dear Mr. Mons:

I acknowledge receipt of your check and the invoice from Spaldings, and your very kind letter of September 15. It was indeed a great pleasure for me to do this little favor for you. Just remember any time you want any athletic goods from either Wilson and Company, Lowe and Campbell in Chicago, or Spaldings, drop me a line and the response will be immediate on my part.

Congratulations on that improved game with the new clubs. May you continue to have that fine success.

I know that Elwood and Jane must have been immensely pleased to have their parents greet them. Mrs. Allen sent a couple of express wagons full of things to their apartment and I am glad that they arrived on time, and I hope they came in good shape. It will give the youngsters something to do. Thank you for giving me their address and phone number.

I will take your letter home and let Mrs. Allen peruse it for I know she will be happy to hear from them even though it is indirectly.

With all good wishes for your continued success, health and happiness, I am

Very cordially yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
