

Mr. Allen.

Lyons Kans
Sept. 3-4!

Dear Sir -

I am writing you in regard to Donald Dean attending H. U. this year. He's in California & will be back by 8th Sept. if all goes well.

We wanted me to write you, so we would have a definite answer here when he comes through here, about a job to help him through school. - He prefers H. U. But we will have to have work enough to help get him through.
