Dear Dr. Allen:

I wish to thank you for your letter of February 11. It is indeed gratifying to know that you are so interested in me and my work.

I am sending you a complete record of all our games to date. We lost a tough game at Hiawatha last Friday, but we had previously defeated them at Sabetha, so we still have a good chance to gain at least a tie for the championship. We were leading by three points during the early part of the second half when we lost Jack Mock because of a sprained ankle. Jack is the leading scorer of the league, and his loss was a disadvantage to us during the remainder of the game.

Again I thank you very much for your interest in me. I intend to care for Jack's ankle as you recommend in your classes and in your book. If you have any additional suggestions, they would be appreciated.

Yours truly,

*Waldo Miller*
