

at a big ordnance plant that is operating just outside of Lawrence.

Mary moved from Louisville with her family to Carmel, California, and they have just now moved again to Palo Alto, where she will have a chance to see Pete and his family. H. B. "Pete" Allen is the colonel in charge of R.O.T.C. at Stanford University.

Jane is married and lives in Chicago. She married Elwood Mons who is with the Hill-Clarke Machinery Tool Company. They have their own ship and he, a Princeton athlete, is getting in his civilian flying, and Jane is also getting hers. She has been up in the air a number of hours, which makes her mother very nervous. She also has an art shop there with another partner, and in addition she is doing Nurses' Aide work two days a week at the Cook County Hospital, doing her patriotic bit.

I imagine Bob has his Ph.D. degree by now and I hope that he is in a classification where he can render the government the greatest aid according to his training. Give old pepper-can Keith my kindest regards and tell him I expect him to be a millionaire some day if Hitler doesn't interfere.

With all good wishes, I am

Sincerely yours,
