Mr. Ralph Miller,
1100 Indiana St.,
Lawrence, Kansas.

Dear Ralph:

Mr. Paul D. "Tony" Hinkle, former coach at Butler University, an old University of Chicago man, and now Athletic Officer at the U. S. Naval Training Station at Great Lakes, Illinois, wrote me on March 30 as follows:

"What about your boy, Ralph Miller, concerning service? Would he be interested in coming here? If so, I would be glad to hear from him."

I wrote him on April 2nd that at the time you were in the hospital with lobar pneumonia, and said, "When he gets well enough to talk to him about playing I will bring up the subject." I am now mentioning the fact to you.

I haven't seen you since you got out, but I was happy to learn that you were able to be released from the hospital. I hope you will convalesce rapidly. If you would like to talk to me about the Great Lakes situation I would be glad to have you come in. We will perhaps play them in Kansas City next winter.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
