Dear Dr. Allen,

I'm sorry that I have not written to you before this
but I'll do it now. No doubt you probably

could help me get a good job I would certainly appreciate
it. Do you think you could get me a job in Wichita? I
I can make enough down there over my horse and team to
pay me, that would be OK. I could get a job here but
they would not pay as much probably.

I sure hope you and the boys come through in the
playoffs and the tournament. Boy there's nothing better
I'd like to see them to watch K.O. play ball in the
tournament or against the Great Lakes team. I'll have
to come back to get the rest of my clothes and horse.
and I'd like to come at a time when you were playing
and bring a few of the boys here if I could. I intend
to come back to school next year if it is possible.

Could you find out about the Wichita job and if I have
to join the team, if I could get out to come back to
school next year.

Sincerely yours

Don Mason
