Mr. Frank Murphy
Manager of Beechcraft Flyers Ball Club
Beech Aircraft Corporation
Wichita, Kansas

Dear Frank:

We had but four ball players on our Varsity team this year: Eddie Hall, catcher, in-fielder or out-fielder, general utility man. His home is in Sublet, Kansas. He is undecided whether he will attend summer school here.

Forrest Knute Kressie, pitcher, in-fielder, out-fielder, general utility man; hit .426. He is by far the best ball player we have but I understand he is signed up with the Iola Ban Johnson team for the summer.

John Burge, pitcher, out-fielder; he hit .295. He has a job with the Recreation Department in Kansas City for the summer.

Bob Allen, first base, general utility man; hit .326. He is to study medicine next year at the University of Pennsylvania. And, since he has been in school four years, I think he is going to take things pretty easy and just coast a bit.

I'm sorry that we cannot help you but if I learn the identity of a real good ball player, I shall be happy to refer him to you for your attention.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.
