Baseball

Mr. Thomas R. Bowen
Manager of the Tiger Hotel
Columbia, Missouri

Dear Mr. Bowen:

Our Kansas baseball team desires rooms at your Tiger Hotel, Thursday and Friday evening of this week. We're playing Missouri, Friday and Saturday, but we will come down Thursday evening and we may drive back after the game on Saturday afternoon.

Our baseball finances do not permit the same expenditures as do our football and basketball budget. Therefore, we desire more modest accommodations. If you have such things as team rooms where boys can double up, or, if you were crowded we could use sample rooms with steel cots.

In other words, we're trying to save some money on our traveling expenses because our budget does not permit even normal expenditures for this sport. Therefore, I will appreciate any cooperation you can give us.

With kindest regards to you and your good family, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
