

July 21, 1941.

Mr. Paul Masoner,
McCoy Motor Co.,
Garden City, Kansas.

Dear Paul:

I am wondering if there is any K.U. person that you could get in down there at Garnett. I understand they are going back to the same old manual training program they had. I had hoped they had gotten away from that.

I shall be glad to hear from you.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
