Dear Dr. Allen:

Your letter of July 5th, was delayed and I just received it this morning.

I am taking this opportunity to thank you for all your kind help in talking to Mr. Wolgast about me. I know that your kindness was greatly instrumental in getting the job at Marysville.

Mrs. Masoner and I are very anxious to get started on our new job. For one thing I will be teaching Physical Education, which is my main desire, rather than History which I had at Garnett. To me that is inducement enough to make the change.

Again thanks for all your kindness, interest and encouragement.

Yours very truly,

A handwritten signature in cursive script that reads "Paul Masoner".
