Mr. Arthur Morse,  
10 So. LaSalle St.,  
Chicago, Illinois.

Dear Arthur:

Our commissioner of Athletics, Mr. Reaves Peters, has written me wanting to know about officials for our game. It seems as if most of the commissioners of the conferences are selecting the officials, and with that thought in view he wrote me.

I suggested that it might be a good idea for me to write DePaul University and see what officials they had in mind. I think this method is always much more satisfactory.

What is your notion regarding Ike Craid? I liked him very much last year and the fellow he worked with wasn't bad. They were a great improvement over the two officials who worked two years ago. Will you kindly give me a list of officials that is satisfactory, and I will suggest these to Peters. Then he can take it up with the DePaul management. And too, will you tell me just who the DePaul management is in case it is necessary for me to write them?

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
