

Commander Manry's "family night" went over in such a big way last month that we dug around in the entertainment budget until we found enough cash to repeat the same thing this month. In addition to hearing "Fog" Allen you will have a chance to meet Coach Mitchell of our Baseball team and Miss Marian Farley, of the Sunflower Coal Company, the real "boss" of that team. Don't miss this meeting.

*

\$600 in Defense Bonds is the first investment of the Sunset Fund which has been accumulating for the past two years. It's a "natural" for this fund.

*

Want to form a Post Bowling league? Now is the time to do it if you really want to bowl. If interested contact Dr. Elmer Musick or Fred Gabelman, Jr.

*

The Nominating Committee headed by Walt Husted, with O.F. Blattler, Clyde Morris, Ray Klein, George Bredberg, Lancie Watts and Charles Titsworth will report next Monday night at the business meeting and officers will be elected for the coming year. Ten more memberships will get us another convention delegate and alternate. All delinquent members received a letter this week and the dues must be in by the 11th - so bring your dues to the meeting.

*

The Benefit Bridge sponsored by the Auxiliary on the Oxley lawn Saturday night was highly successful and enjoyed by all those attending.

*

Fred Whitten, heading the Post group assisting the Service Men's Club at the Union Station, is doing a good job. Volunteers assisting include Hiram Kincaid, George Solter, William Hogue, H.P. McMonigal, George Bredberg, Ross Rheem, Fred Hansen, Thornton Manry, George Whyte, Jr., June Baker and Jack Balensifer.

*

Congratulations to Ann Johnson on doing her job well in the Aluminum collection drive. She has the drive that puts over a drive.

*

Dr. Edwin C. White really runs these selective service lads through examinations in a big way. Leon Tate and the Secretary have been helping him in examinations the past three weeks and we marvel at the way that chap keeps things going.

*

In the mail: A letter from Charles Nelson Jensen who is now at 3625 Hall street, Dallas, Texas. Although he hasn't been back for several years, Jensen still keeps his membership in the Post and Last Man's Club. . . . From Ross Anderson, new Managing Secretary of the Pekin (Illinois) Association of Commerce comes a letter with his regards to the gang and he's planning now to come back for the Last Man's party in November. He is keeping his membership in this Post and has joined the local Post in Pekin.

*

Commander Manry kept plugging away until he secured some excellent rooms for the Missouri convention on the third floor of the Hotel Tiger. We expect to collect on each of these rooms at Executive meeting Wednesday night and at the regular August meeting Monday night. Bring along your money for the first night's cost if you expect to get a room.

*

It's vacation time - Already Clyde Morris has been to Canada; Blattler is getting ready for another Colorado trip; the Secretary leaves Thursday with the Choral Club's accompanist for a hay fever haven in Michigan; Abba Morse is in Colorado; the C.R. Andersons are back from Minnesota and we suppose a lot of other Post lads are running around the country seeking a change in climate and better fishing.

*

Last Chance before conventions: We'll have a few legion caps at the Executive meeting Wednesday night. Better get that cap while you have the opportunity.
