Mr. Forrest C. Allen,  
University of Kansas,  
Lawrence, Kansas.

Dear Mr. Allen:

When we built the booths in our field house for basketball, they were built according to a plan which Col. Hibbs explained to his workmen right out of his mind without drawing up any specifications on paper.

Since receiving your request Col. Hibbs has detailed someone to make a sketch with dimensions.

As soon as this is completed I shall have a copy sent to you.

Sincerely yours,

*E. J. Messinger*
