Pastor, Trinity Methodist Church

Dear Rev. Mulvaney:

I regret that I will be unable to be your guest speaker on Sunday morning, February 9 at 10:45 A.M., because we are meeting Nebraska at Lawrence on February 10.

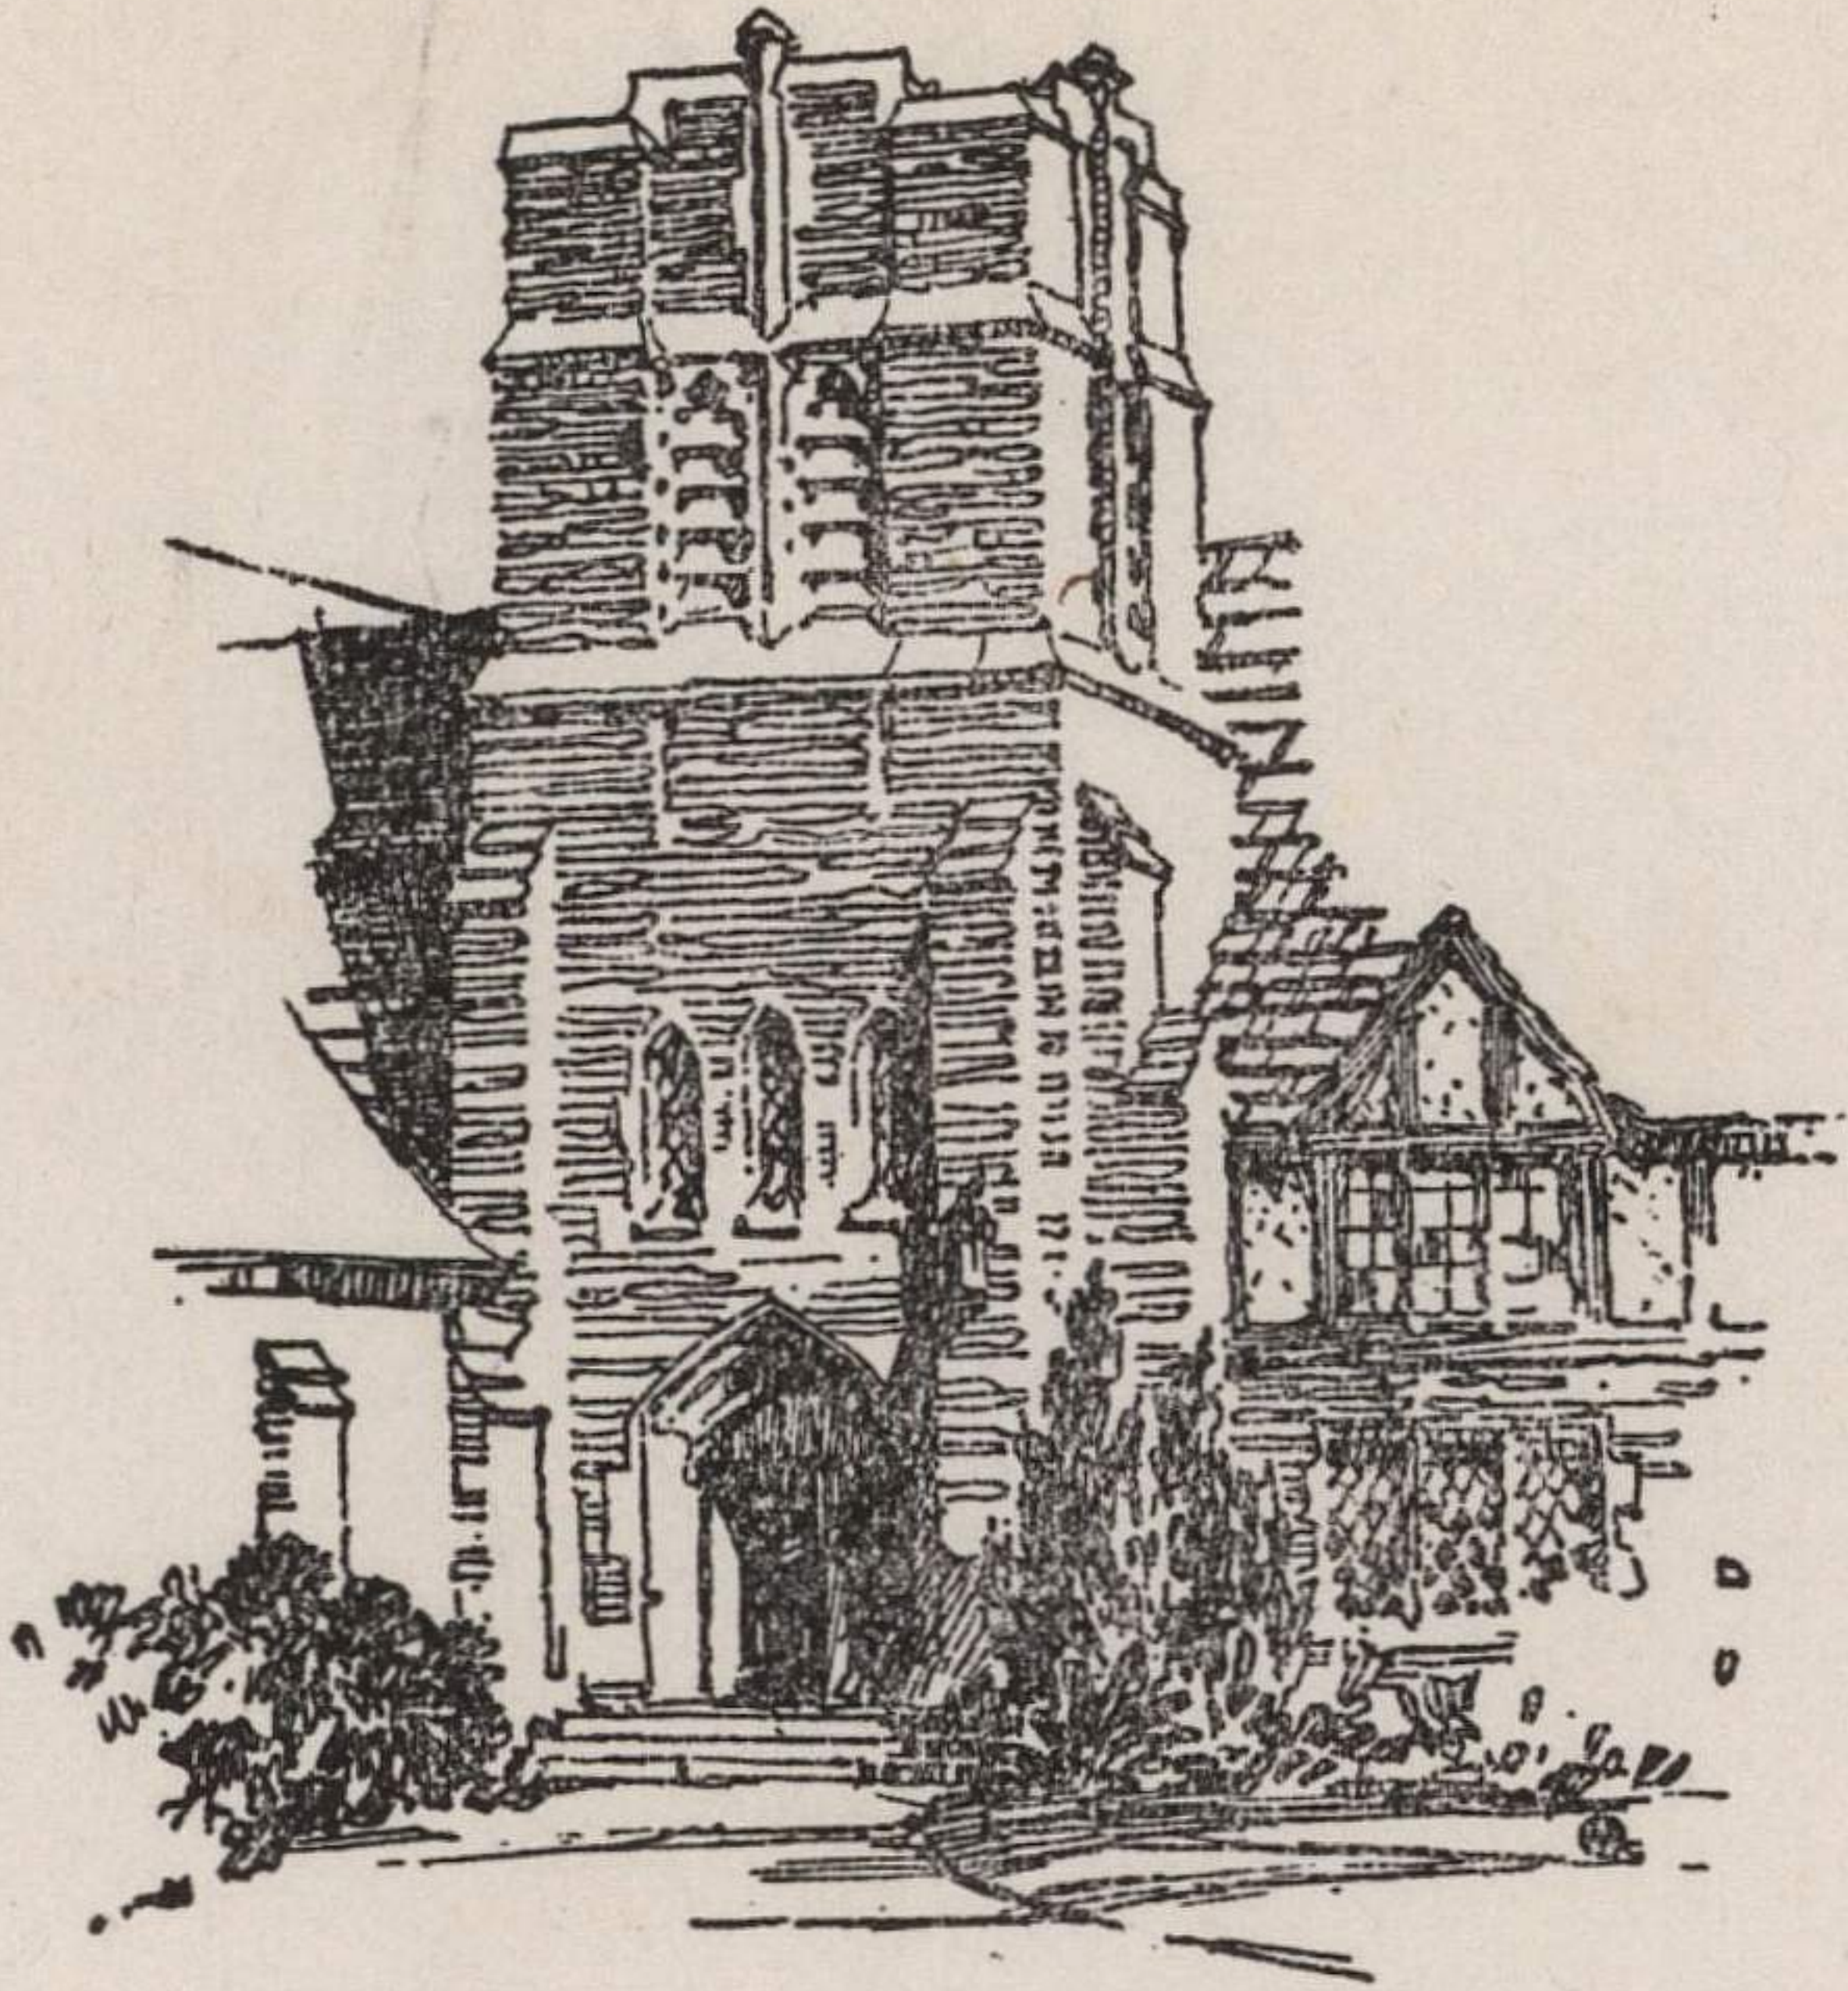

Perhaps sometime later I can be with you. We have an interim from January 23 until February 2 when the final examinations are on, or perhaps sometime early after basketball season would fit into my schedule better. During the spring I still have more time than I have in the winter.

Thanking you for your kindness in asking me, I am,

Sincerely yours,

Director of Physical Education and Recreation

Dear Dr. Allen:

Each February we have a "Youth Month" at Trinity Church, as you will see by the enclosed bulletin. We invite special speakers, who we believe have a message for Youth.

Our theme for 1941 will be "Calling All Youth". Would it be possible for you to be our guest speaker on Sunday morning, February 9, 10:45 a.m., using some such theme as "Good Sportsmanship is Calling Youth? You know how much personal pleasure it would give me to have you do this, and I hope you can fit it into your schedule.

If you can come please let me know as to terms, time of arrival, etc.

Sincerely,

ITEMS OF INTEREST

Musical program for the Youth Month is under the direction of Mr. Orcenith Smith, Director of Music, and Mr. Robert W. Mitchner, Organist.

Trinity has teams of boys entered in each of the three Divisions of the Y-Church Basketball League. Senior games are played at Sherman Gym, Intermediate games at Senior High Gym, and Junior games at the Y. M. C. A. gym. The schedule is printed in our Bulletin each week. Our people are invited to attend these games.

The annual dinner for Cub Pack 50 and their parents will be held in Fellowship Hall, Thursday evening, February 29.

Collectors for the February services will be selected from various young people's organizations. They are directed by our regular Chief Ushers, Mr. Curtis E. Peugh for Morning Worship, and Mr. J. C. O'Donnell for Evening Worship.

Youth Division Meetings follow the Vesper Services each Sunday evening at 6:00 p. m. under the leadership of Mr. Smith. All young people are invited to attend these meetings. Special programs are planned for February.

Special Services are to be held each evening during Passion Week, March 17 to March 24. Our young people will have a share in these services.

The Methodist Advance meeting for this section of the country will be held at the Wichita Forum, Monday, March 4. Bishop Charles L. Mead presiding. This is a part of the national program for renewal of dedication by Methodists to the work of the Kingdom. We want a large delegation from Trinity to attend the meeting.

CHRIST OF THE ANDES

"Sooner shall these mountains crumble into dust than the peoples of Argentina and Chile break the peace which at the feet of Christ the Redeemer they have sworn to maintain."

So reads the inscription on a 20-foot-high granite pedestal carrying the impressive statue "Christ of the Andes", erected in 1904 as a symbol of everlasting peace. It stands a short distance south of the snowy peak of Aconcagua, above La Cumbre Pass, on the frontier between Argentina and Chile, to mark the end of a dispute between these two nations which had lasted over half a century.

Cast from the bronze of guns removed from frontier fortresses and melted down in the Arsenal at Buenos Aires, the statue was taken by train as far as the rails were laid; then drawn on gun carriages by mules to the summit, and where even mules failed at the ascent, soldiers and sailors of both governments dragged it up with ropes to its 13,000 foot site on the mountain top.

If you happen to have any outstanding young men who might be interested in sales work in the casualty insurance business with a Company like Liberty Mutual, which is the largest mutual in the country and the leading writer of Workmen's Compensation Insurance among all companies, stock or mutual, it might be well to have them stop in at our Kansas City Office and talk with our Manager, Mr. D. Mr. Pat Maloney

Dear Pat:

Boy, you are a regular guy. I had no idea that you would take it that I was reflecting on you in person either in toto or partially.

It never should have been your job in the first place, in any way, shape or form. The only idea that I had from your attending the conference was that we wanted your company to do the printing because then we would be assured of a prompt and efficient job.

I wanted to make it plain that we were not trying to dictate any policy or ask for any favor. I saw a community asset by playing up Dr. Naismith's long connection with the University, and also hooking up the Governor, the Chancellor and the outstanding citizens with this program. It is something that no other school can do on account of Dr. Naismith's grand and sustaining reputation.

The only reason I sent you a copy of the letter I wrote to Glenn Charlton and George Hedrick was to let you in on the know. I also sent a copy of the same letter to Armin Woestemeyer and Owen Carl.

Finally, Pat, I want to say that I have always liked and admired you very much. You have been one of the squarest shooters that I have dealt with. You have the nerve to tell a guy just what you think and where he can get off, and if you like a fellow you let him know it, and if you do not like him you let him know it. That is the reason I value your friendship so highly. If I have hurt you in the least bit I want you to know that I would not do it for anything. I want you to still be my friend and I want to be yours.

We will definitely get together in the next week. I am sorry for all the difficulty that you have had at Tulsa, and I extend to you my deepest sympathy and sincerest wishes.

I will call you, Pat, and make the date.

Sincerely yours,

Forrest C. Allen,
Dept. of Physical Educ.
University of Kansas
Lawrence.

Dear Phog:-

I have such a time trying to reach you when you are'nt busy that I am going to answer your letter regarding the proposed basketball program by letter. At the same time, I would like to ask for an opportunity to talk to you at the first moment you have in order to more fully cover the situation. You name the time and I will be there, either during business hours or later.

I tried to reach you by phone several times during December in order to go over the proposition as I had run into some snags and also the fact that everything that had to be done was apparently dumped on my doorstep. In trying to keep up with my own business together with my affairs in Tulsa and also the job of winding up the year, the program was sidetracked and it was humanly impossible for me to do otherwise.

God knows that I hate alibis and I rarely resort to them but in this case I will have to run the risk of your thinking that is the case. However, there is no one in Lawrence who has given more in time or money than I have to help the athletic situation. I have never made any effort to capitalize on this and there are few people who know anything about it except those who have had close contact with the Relay Club. There comes a time however when you just run out of time to devote to these things and that is my situation.

I feel that you are aware of my loyalty to you, there has never been a time when I would'nt and did'nt say you had brought more favorable attention and had meant more to the K.U. Athletic dept. than all the rest of the coaches, managers, boards and what have you put together. I think you will also realize that in making such a broad statement, I have had to defend myself verbally and even physically from some of the wolves

who unfortunately infest this part of Kansas.

In order that you won't get the wrong impression from this letter, I did not get the idea from yours that you were blaming me solely or implying that I had fallen down on you. It amounts to that but I realize that the community as a whole has drifted away from supporting athletics and that our merchants won't give the financial aid that they have always accorded the teams at Manhattan.

The reason for this is beyond me, I have spent many weary hours on Mass. St. soliciting advertising, direct gifts and selling tickets and I know as well as anyone that they just won't come through as they should. It must be the result of a gradual lessening of interest in Athletics and a consequent turning to some other form of amusement.

Well, this is taking up too much of your time but please set aside a few minutes sometime during the next few days and I will gladly go over the situation with you. I know exactly how you feel and I agree with you 100 percent. I also am willing to do my full share in anything that concerns your team and would gladly do it but I just can't undertake the sole responsibility of this program.

Sincerely yours,

Pat.

Gee, it is a thrill to get word from you and to know that you are associated with Dr. John Billingsby, and doing the thing that your Dad did. I know this must be a great inspiration to your Mother, to you and your entire family.

I will be happy to take your letter to Mr. Earl Falkenstien, our Financial Secretary, who handles the tickets, and I know he will be glad to make this reservation for you. I am sure that he will be able to fix you up for the Oklahoma game just as easily as he can for the Kansas Aggie game.

It will be good to see you Dr. Jim and I trust that you had some very successful experience in your two years residency in the East. At the first opportunity that I have to be in Kansas City, Kansas I will drop in on you and Dr. Billingsby.

Our son Bobby enters the medical school at the University of Pennsylvania next fall. He has made a fine record here.

Please give my kindest regards to your good Mother and the rest of the family, and always keep a large share for yourself. I will never forget you and what a pride and joy you were to your Dad.

The three vitamins and tissue builders that I gave you are as follows: Glycolixir (Squibbs and Company), Betalin Compound (Eli Lilly Company), and Dexin (Burroughs and Wellcome Company).

We have been using these vitamins the past two years and we find that they keep our boys in tip-top shape. There certainly is no danger in giving any one of these because it is not dope, it is food. You need have no fear; in fact, you can look up your most prominent physician or your best pharmaceutical chemist and you will find that they will have the highest endorsement.

I am very happy to have your letter of the first instant and I am hastening a reply to you.

The three vitamins and tissue builders that I gave you are as follows: Glycolixer (Squibbs and Company), Betulin Compound (Eli Lilly Company), and Dexin (Burroughs and Wellcome Company).

We have been using these vitamins the past two years and we find that they keep our boys in tip-top shape. There certainly is no danger in giving any one of these because it is not dope, it is food. You need have no fear; in fact, you can look up your most prominent physician or your best pharmaceutical chemist and you will find that they will have the highest endorsement.

Trusting that this will be the information you desire,
I am,

Sincerely yours,

Dear Mr. Allen:

I appreciate your having gone to so much trouble to get the information for us about Mrs. Oda Foster. It is in plenty of time, as we were just completing her file in order to have it ready for any vacancies that may occur this spring.

Thank you so much for your grand help.

Very sincerely

Mr. Forrest C. Allen,
Lawrence, Kansas.

Dear Phog:-

I would like very much to come up to K. U. to see the Kansas - Oklahoma Basket Ball game on March 7th. My son, Bob just wrote me that all of the seats for the game were already sold and naturally I do not want to make a trip up there for the game unless I can get in to see it.

Would it be asking you too much of a favor to ask you to get me a K ticket for the game. Please let me know if you can get a ticket for me, and if so what time the game starts. It would be satisfactory to me to have my ticket left at the box office, so if anything happened that I could not get up to the game and did not call for the ticket by game time the ticket would be available for sale to some one who could use it.

Please let me know what you can do for me about getting a ticket to the game. Wishing for a victory over Oklahoma and a successful season for you and the team, I am,

Yours very sincerely,

D.C. "Happy" Martindell
