Mr. F. C. Bannon,
Leavenworth, Kansas.

Dear Tim and Jim:

I am sure glad that you took advantage of that old boy while he was down. I have heard often of a fellow taking a pint off a guy, but when you get eight gallons, then you are really going some.

I called Earl Falkenstien immediately upon receipt of your letter and he is sending you four of his best for the Nebraska game.

We are leaving in about an hour for Columbia, Missouri, to play the Tigers down there and I am afraid that our boys are rather youthful for those bloodthirsty Tigers to battle around on their miniature field of carnage. Anyhow, we will fight 'em.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
