Dear Jim:

Gee, it is a thrill to get word from you and to know that you are associated with Dr. John Billingsby, and doing the thing that your Dad did. I know this must be a great inspiration to your Mother, to you and your entire family.

I will be happy to take your letter to Mr. Earl Falkenstien, our Financial Secretary, who handles the tickets, and I know he will be glad to make this reservation for you. I am sure that he will be able to fix you up for the Oklahoma game just as easily as he can for the Kansas Aggie game.

It will be good to see you Dr. Jim and I trust that you had some very successful experience in your two years residency in the East. At the first opportunity that I have to be in Kansas City, Kansas I will drop in on you and Dr. Billingsby.

Our son Bobby enters the medical school at the University of Pennsylvania next fall. He has made a fine record here.

Please give my kindest regards to your good Mother and the rest of the family, and always keep a large share for yourself. I will never forget you and what a pride and joy you were to your Dad.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
