However, I didn't see the results, how did you come out?

Incidentally Doc, I am selling life insurance for Verne this summer + next year at school. If by chance you should hear or know of anyone interested in buying some I would appreciate your letting me know. I have sold about \$6,000 worth so far this month so I am quite satisfied with myself. It was mostly luck, but it means a few extra dollars regardless.

Better close now and be on my way. I hope you can use the information I have given you. I will send you some more by July 10.

Jean sends her regards.

Please give my regards to the rest of your family.
