Mr. I. J. Meade,
Lawrence National Bank,
Lawrence, Kansas.

Dear I. J.:

I regret exceedingly that I will be out of town next Monday. I am working in the school of coaching with the Iowa High School Athletic Association where a group of us basketball and football coaches are teaching the youth of Iowa theoretically, at least, how to do the job.

I am very anxious to hear your portrayal of some of the incidents back in Davies County when my grandfather and you worked together. I have often wanted to sit down and have you tell me some of those anecdotes and some of the high lights of your early boyhood, and to learn more regarding my grandfather. He was always a hale fellow well-met when he came down to visit us, and of course it is human nature to learn more of those that have gone before, especially if they happen to be our forebears.

I am asking you to kindly save your manuscript so that I can read it upon my return home. After you have finished with it if you will kindly mail it to my office in Robinson Gymnasium here at the University I will appreciate it. Or I could stop by the bank and pick it up when I return to Lawrence.

With appreciation and best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
