Dr. Lloyd L. Boughton,  
Cramer Chemical Co.,  
Gardner, Kansas.

Dear Dr. Boughton:

I realize that I have not written you, Frank and Charles thanking you for your tonsorial Christmas package. I had fully intended to do this and then I was going to ask you about buying a pound of shaving cream, which I think is the finest I have ever used. When I met you on the street I spoke to you about it, and upon my return from Kansas City I find three jars on my desk.

You are certainly a rapid worker and a punctual one. I didn't expect you to give it to me. I wanted to pay for it. I have one of those pound jars of analgesic balm which I have emptied and I had it in mind to parcel post this to you, ask you to fill it up and send me a bill. But I have done it the cheap way, I guess. I just wanted to have a pound on hand so that I could use the two ounce jar and fill that up from the big jar.

I do want you to know that I greatly appreciate your thoughtfulness and your kindness in bringing it by.

With all good wishes for a very happy New Year under these difficult conditions, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
