undoubtedly be better. That is the one statement I have made more than once.

There is also another item you have evidently been misinformed about and that is my training habits. I have been training very well as a whole all along. I admit that I have been smoking some but certainly not to excess. Aside from that my training habits have been on a par with anyone's I have not been smoking during seasons or any thing like that. I have no smoking habit and can get along without it as easily as not. To me it is just something to do at times and that's that. I certainly do not enjoy it at all times, in fact more often than not it is ~~not~~ repulsive to me. Now Mr. you know my bad training habits and I don't believe you would call my problem a
