Coach "Phog" Allen
Kansas University
Lawrence, Kansas

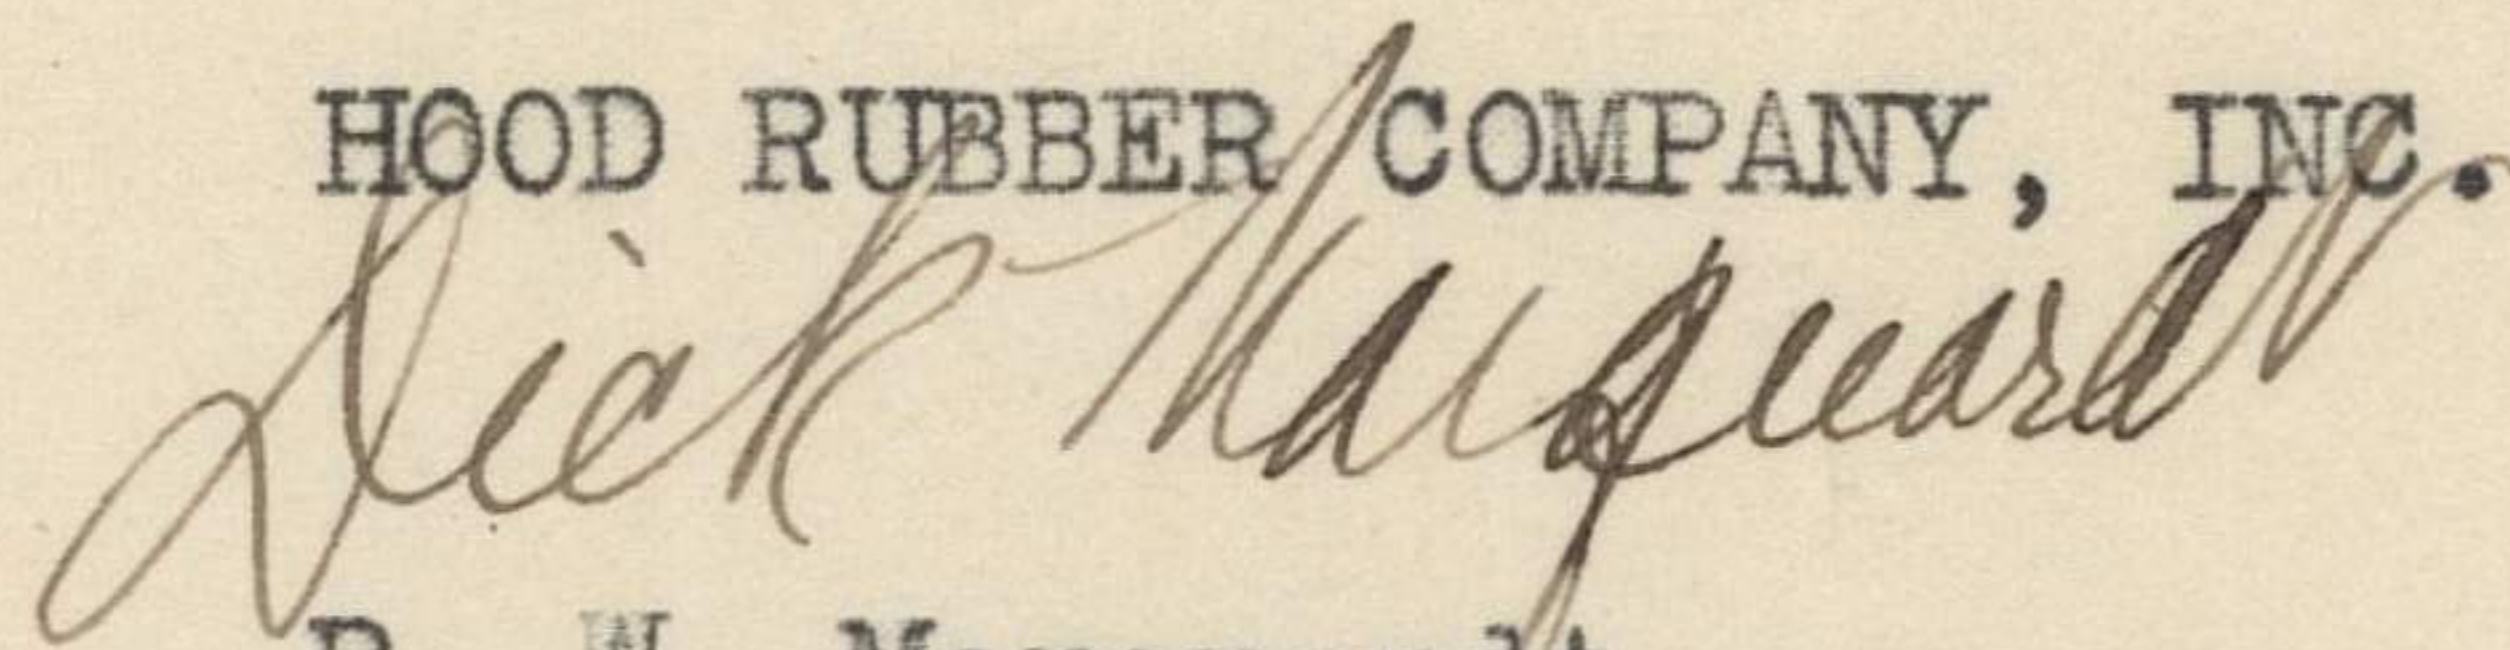

Dear Phog:

I certainly enjoyed seeing you in Kansas City and I think you did a marvelous job in training your team for the Finals. They gave a good account of themselves but I guess, in the long run, were not quite husky enough to contend with the big Indiana boys.

Incidentally, Phog, I wonder if you would be kind enough to send me a play which we could reproduce in the booklet we publish each year called "Basketball Hints."

Yours very truly
