Dear Doc:

I have your letter of May 2 in which you suggest that I call a meeting of the Big Six basketball coaches to meet in Lincoln.

I really don't believe that I have the authority to call this meeting as it would have to come through the Directors. I believe, though, that most of us will be there. I am not positive that I can make it but if I can I will, and we can informally get together after the Friday night dinner.

I have turned over to Veenker the requests that we made in our March meeting, and I am also including to each of the Big Six basketball coaches a copy of these requests so that each of us in turn can take these matters up before the director goes to the meeting. I believe this will get the desired results for us rather than have the Directors feel that it is necessary for us to have another meeting.

With best wishes, I am

Sincerely,

L. E. Menze

see if we can't get
up another game. Love.*
