Mr. F. C. Allen  
c/o University of Kansas  
Lawrence, Kansas

My dear Mr. Allen:

We are to have a little oyster supper at our house as usual on March 8th, the night of the basketball game between the University and Kansas. We have enjoyed visits from you in the past on this occasion and Mrs. Monnet instructs me to extend you an invitation to be present with us that evening after the game. However, we feel considerable trepidation about extending this invitation and we want you to feel perfectly free to decline it if you, for any reason, feel that it is not in the interest of your team or school for you to absent yourself from other plans. With this reservation, we want to very cordially invite you to join the small crowd that will be with us for the usual oyster supper.

With regards, I am

Yours truly,

*Julien C. Monnet*
